Making a One Time Payment:

1. Click on the Pay Assessments Link on the left side of the page.
2. Under the One Time Payment Option, if you would like to pay by Echeck, click on Electronic Check, or if you would like to pay by Credit Card, click on Credit Card.

One-Time Payment	
Pay Assessments	
One-Time Online Payment	
Electronic Check	Authorize a one-time debit to your checking account.
Credit Card	Authorize a one-time charge to your credit card.

3. Your homeowner account number and physical property address will automatically default on this screen. If you are paying by credit card and your credit card billing address is different from your physical property address, you must enter your correct billing address on this screen.
4. For credit card payments, choose the appropriate credit card type from the drop down menu and enter your account number, expiration date and CVV.

What is the CVV?

The CVV is the three- or four-digit security code on your American Express, Discover or MasterCard credit card. We ask for your CVV to verify that the order is being placed by you and to detect any fraudulent use of your card.

If you have a MasterCard or Discover card, the Security Code is the last 3 digits printed on the signature panel on the back of the card.

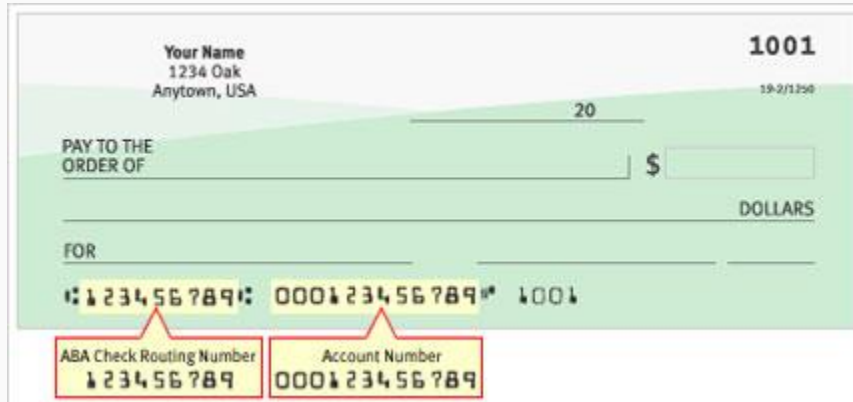

If you have an American Express Card, the Security Code is the non-raised 4 digits, printed at the left or right, above the raised account number on the face of the card.

5. For Electronic Check Payments, enter the Bank Routing Number and Bank Account Number.
